

Spectralink PIVOT:SC Handset Accessories

Cost-effective and flexible solutions

Spectralink PIVOT:SC (8744) Wi-Fi handset provides a cost-effective, highly secure and reliable solution that helps improve employee productivity, mobility, reaction time and personal safety - with additional interoperability only available from a Wi-Fi solution.

With accessories, you can maximize the capabilities of your PIVOT Solution - all of which, are available on the Cisco Global Price List and in the Cisco Marketplace.

PIVOT:SC (8744) BATTERY, CHARGING AND CONNECTION

Standard Battery, Black

- The standard PIVOT:SC Battery offers up to 8 hours of talk time, and the battery is easy to access and replace for charging. Ideal for 24 hour shift management.
- Note: Though the handsets come in blue and black, all PIVOT:SC batteries are black.

Micro USB Universal Power Supply

- The dedicated Micro USB charger quickly and efficiently charges your Spectralink device.
- The charger comes with a long 1.8M cord and outputs 5V and 1.5A to the Micro USB connection.

Quick Network Connect Tool (QNC)

- The QNC is a small, easy to carry stand-alone unit that uses an interactive “soft wizard” that presents the administrator with a sequence of dialog boxes that leads them through a series of well defined steps, providing connectivity to the handsets.

PIVOT:SC (8744) CARRYING OPTIONS / SCREEN PROTECTION
