

Best-in-class enterprise communications and critical data management for your hospital.

Deliver even better healthcare through efficient patient and staff interactions.

Finding ways to improve communications and collaboration among staff is a perpetual exercise to ensure the delivery of quality healthcare.

Hospitals like yours are staying on top of equipping their clinicians to reduce communication breakdowns and inefficiencies.

Tap into the power of Oracle Health and Spectralink.

Oracle Health EHR Nursing Mobility and Spectralink Versity smartphones ensure the correct information is intelligently routed to the right person at the right time via streamlined clinical workflows.

Oracle Health Messenger

Enable your clinicians to expedite patient care decisions through secure, HIPAA-compliant exchanges.

Care Team Directory

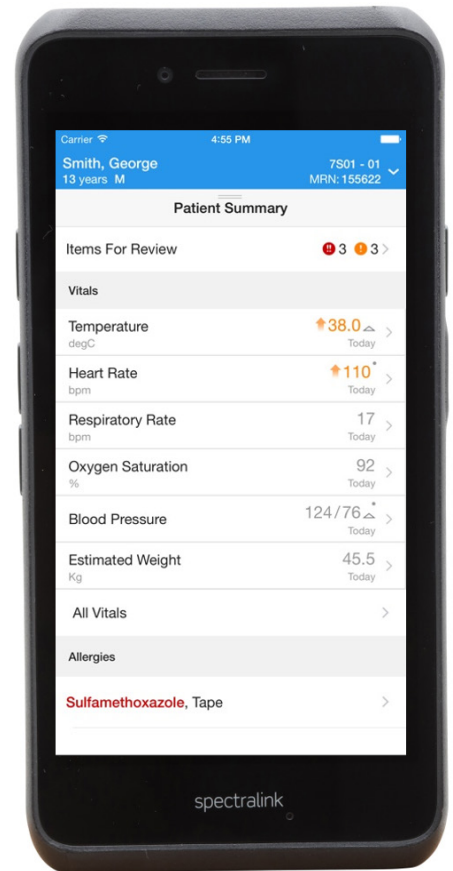

Your clinicians can efficiently search and communicate in one place to connect with their peers inside and outside the building, saving critical time.

Near Real-Time Alerting

Enhance response times with the timely delivery of crucial medical device alarms and EHR notifications.

Voice and Video Collaboration Tools

Facilitate rich, multi-modal communication via your hospital's telephony and nurse call systems.

Together, let's talk about improving the effectiveness of your hospital's communications. info@spectralink.com

Versity 9753 and Versity 9740 smartphones have been tested and validated with Oracle Health EHR Nursing Mobility applications.

About Spectralink
